Welcome on board as our esteemed Professional Ambassador

Dear Dr.C.Sharanya,

Warm greetings from IFERP,

We at IFERP, feel privileged to welcome you as a Professional Ambassador of IFERP. Our Advisory Committee has decided that your contributions to society and your expertise are exceptional. Your eminence in your field would be a perfect match for being our Professional Ambassador.

Perks & Benefits

Scientific Platform: A stage to present your research findings

Greater Exposure: Be our organizing committee member and gain exposure towards organizing conference.

Unique Opportunities: Be a Keynote speaker and Session chair at our conferences.

Gain certificate: Gain a certificate for active participation in being Professional Ambassador.

Mentorship : Mentor for IFERP Courses & Research Scholars

This new role will give you more opportunities to promote our IFERP Products and services and help us to reach more researchers to involve in research activities. We hope you will have a great year ahead and 2023 continues to be a successful one for you.

Objectives of IFERP Professional Ambassador

- IFERP Professional ambassador provides information about IFERP - products and services
- Encourage Leadership and Mentorship opportunities within the society.
- Initiate societal development between the research communities.

- Facilitate networking opportunities within the community and with potential members.

Rewards and Recognition:

“Give the world the best you have and the best will come back to you”.

Book a call with us to know more about rewards and recognition:
