Dear C. Sharanya,

Thank you for completing the review of the submission, "A Comprehensive Survey on Security, Trust Management and Privacy Preservation for Social-Internet-of-Things (S-IoT)," for International Journal of Computer Theory and Engineering.

Your insight comments should be valuable for authors to think about their study rigorously, and also provide us the significant reference to make the final decision. We appreciate your contribution to maintaining the quality of the work that we publish. You may forward this message to Publons to verify your review, the instructions can be found at <http://webofscience.help.clarivate.com/en-us/Content/peer-review-in-wos-researcher-profile.html?Highlight=peer-review>.

By the way, please complete your information in the OJS system, including your professional title and your research interests, so that we could call for your expertise at an appropriate time.

I hope we will be more active in working together in the future.

Ms. Mia Hu
