On behalf of ShiasH Info Solutions Private Ltd, we would like to take this opportunity to thank you for giving up on your valuable time to talk at our program. It was a great pleasure to hear you talk about Digital & Mobile App Development. It was apparent how every person at the program was engrossed by your talk.

Without you, it would not have been possible for us to pull out a successful program, because of your generosity to spare your time for us; we were able to make the program a success. There is much more to learn from your knowledge and experience.

Wish you great success with all your future endeavors.
