# RECENT DEVELOPMENT IN MULTIDISCIPLINARY SCIENCE AND TECHNOLOGICAL FIELDS

Volume II, 2023

**Dr. S. GNANAM** is an Assistant Professor in the Department of Physics, School of Basic Sciences at Vels Institute of Science, Technology & Advanced Studies (VISTAS), Pallavaram, Chennai-600 117, Tamil Nadu, India. He obtained his B.Sc. Physics from Govt. Arts College for Men, Nandanam, Chennai-35 (University of Madras) and M.Sc. Physics, from Presidency College, Chennai-05 (University of Madras). He received his Ph.D. in the area of Nanoscience from Presidency College, Chennai-05 (University of Madras). His research interests are in the field of Nanoscience, Crystal Growth and Thin films. He has published more than 40 research articles in the above mentioned fields. He also published more than 20 book chapter publications. He presented more than 50 papers in National/International conferences. He attended more than 100 FDP/STTP programs. He has completed more than 50 UG/PG projects. He has published textbooks for Ph.D/M.Tech students and also contributed as a course coordinator in Tamil Nadu Open University. He has published three Indian patents and a design patents in various fields. He is acting as a potential reviewer in many Scopus/WOS indexed journals. He has membership in several professional bodies. He has received many awards/recognitions for his potential academic & research activities.

**Dr. R.S. SUGANTH M.A., B.Ed., M.Phil., Ph.D.** is working as an Assistant Professor of English in Sivanthi Aditanar College, Pillayarapuram, Kanyakumari District, Tamil Nadu. He is the member of English Language Teacher's Association of India (ELTAI). He has published so many articles in Peer Reviewed, UGC-CARE Listed, Scopus and Web of Science Indexed journals. He has presented 15 papers in National as well as in International Conferences. He has authored a book, Environmental Studies published by Book Rivers Publications in the year 2022. He was awarded with Best Researcher Award by ESN Publications in 2021 and Young Environmentalist Award by Pillar of India in 2022. He is eminent speaker and social worker. He research interests are Climate Literature, Environmental Literature, Green Literature and Indigenous Studies.

**Dr. A. SUBRAMANI** working as Assistant Professor of Chemistry, Department of Biochemistry in Dwaraka Doss Goverdhan Doss Vaishnav College Chennai and his teaching experience of 7.5 years in Arts and Science College. He did Master Degree in the year of 2010, Master of philosophy @ 2012 and PhD @ 2019. He is published more than 20 Research Articles in peer-Reviewed journals. He attended 10 workshop and presented papers 20 national and international conferences. He is published 03 Indian Patent and one Engineering Chemistry Text book. He is currently working in the field of polymer chemistry, Bio-Inorganic chemistry, Computational Chemistry, Polymers Nano Composites.
