

Vels Institute announces test results

TIMES NEWS NETWORK

Chennai: Vels Institute of Science, Technology & Advanced Studies (VISTAS), one of India's deemed to be universities, announced its V-SAT (Vels Scholarship Admission Test) results for the exams that were conducted online on July 1. Over 10,000 students from Tamil Nadu and other states took

ONLINE EXAMS

part in the online admission test. More than 3000 students have scored highly and availed the scholarship, an official release said.

The scholarships were targeted towards students who are facing financial challenges to continue their higher studies, especially considering that the Covid-19 pandemic has taken a toll on many livelihoods.
