PALLAVARAM - CHENNAI

VISION OF THE INSTITUTION

To make the Institute an epitome of excellence in higher education by effectively providing high quality education and rigorous training to students in multiple streams of choice with ample scope for all round development to make them excel in their profession for betterment of the society.

MISSION OF THE INSTITUTION

- M1:** Effectively imparting knowledge and inculcating innovative thinking.
- M2:** Facilitating skill enhancement through add on courses and hands on training.
- M3:** Doing original, socially relevant, high quality research.
- M4:** Instilling the spirit of integrity, equity, professional ethics and social harmony.

Clubs in academic institutions aim to provide opportunities for students, faculty members, alumni, and guests. They offer extracurricular activities such as sports, arts, and community service to complement academics. These clubs also focus on developing students' leadership and professional skills, which enhances the institution's reputation. Additionally, they promote innovation, creativity, social responsibility, and community engagement, laying a strong foundation for sustainable development. Participating in club activities benefits the students and the institution by creating a vibrant and dynamic environment. Clubs also develop business ideas and provide scope for emerging innovations and technologies.

The Entrepreneurship Development Cell (EDC), committed to cultivating innovation and creativity, spearheads a range of impactful activities such as boot camps, skill development workshops, and the University Bazaar. These initiatives encompass company registration, ideation, and business modeling, in collaboration with NSIC, MSME, CED, and NEN.

Entrepreneurship Development Club

The Entrepreneurship Development Club (EDC) fosters innovation and creativity through impactful initiatives. Key activities include the Basic Entrepreneurship Awareness Program, Entrepreneurship Orientation Program, and a Business Plan Development Contest using the Business Canvas Model. EDC also organizes a Boot Camp, Idea Pitching Contest, and Start-Up Mela in collaboration with esteemed organizations such as the Entrepreneurship Development Institute of India, Micro, Small and Medium Enterprises, National Entrepreneurship Network, National Small Industries Corporation, and the Centre for Entrepreneurship Development. These programs empower aspiring entrepreneurs by equipping them with the skills and resources needed to succeed in their ventures.

English Literary Club

English Literary Club

The English Literary Club serves as a platform to nurture a passion for literature, language, and creative expression among its members. Its objectives are Enhancing Language and Communication Skills, Cultivating Literary Appreciation, Promoting Critical Thinking and Analytical Skills, Fostering Creativity, Developing Public Speaking and Leadership and Encouraging Cultural Exchange through Language. The English Literary Club has organised various competitions to enhance the above-mentioned objectives. The English Literary Club functions as a dynamic space for intellectual and creative exploration. By offering diverse activities that engage members in writing, speaking, reading, and performing, the club not only enhances literary skills but also promotes personal growth and confidence. It provides an inclusive environment where individuals with a passion for literature can come together, share ideas, and develop a lifelong love for the written and spoken word.

Tamil Literary Club

Tamil Literary Club includes events to inculcate Tamil knowledge and interest in the traditional arts of Tamil among the students. A Tamil literary club can provide many advantages, including:

- **Developing language skills:** Students can improve their Tamil speaking and writing skills, and learn to appreciate Tamil history and culture.
- **Building confidence:** Students can gain confidence and develop the skills to participate in competitions and interpersonal activities.
- **Exploring literature:** Students can learn about literature and criticism, and discover new books and genres.
- **Sharing knowledge:** Students can share their favorite books and writing with others.
- **Meeting new people:** Students can meet new people and make connections.
- **Participating in competitions:** Students can participate in competitions and events, such as debates, quizzes, and poetry writing, song competition
- **Representing their departments:** Students can represent their departments in competitions.

Receiving recognition: Students can receive medals, cups, and certifications for their participation and achievements.

Dr. R. Sridhar

Youth Red Cross

Dr. S. Chandrachud
Dr. G. Sathishkumar

Student Co-ordinators

R. Arunkumar
C. Monishwaran

A Youth Red Cross Club focuses on promoting humanitarian values and community service among young people. Activities include health awareness campaigns, disaster preparedness training, community service projects, leadership development, and fundraising events. Members can connect with local Red Cross chapters for resources and support.

Youth Red Cross Club

The Youth Red Cross Club (YRC) is a vital component of the broader Red Cross movement, aimed at engaging young people in humanitarian efforts and community service. It serves as a platform for youth to develop leadership skills while contributing to society through various health and social initiatives.

These principles guide the club's activities and interactions within the community, ensuring that all efforts are made without discrimination based on caste, religion, or nationality. In summary, the VISTAS Youth Red Cross Club serves as a platform for young people to contribute positively to society while developing their leadership skills and understanding of humanitarian value

Rotaract Club

The Rotaract Club of VISTAS is a vibrant student-run organization affiliated with Rotary International. The club is part of a global network of young leaders committed to community service, leadership development, and fostering international understanding. Rotaract provides a platform for students of Vels University to engage in social service projects, develop personal and professional skills, and connect with like-minded individuals both locally and internationally.

The club organizes a variety of activities, including community outreach programs, environmental initiatives, health camps, leadership workshops, and cultural events. Members of the Rotaract Club of Vels University gain opportunities to enhance their leadership abilities, network with professionals, and make a positive impact in society through collaborative efforts.

The club operates on the Rotary motto of "Service Above Self," encouraging students to contribute to societal well-being while simultaneously growing in character and competence. Through Rotaract, students are empowered to address local issues and global challenges, developing a strong sense of social responsibility and global citizenship.

CLUB INAUGURAL

The BIS Club inaugural celebrated a new platform for innovation in business and technology, uniting students and leaders with a shared vision for future growth and collaboration.

STANDARD WRITING COMPETITION

Invited to prepare a Power Point Presentation on the standardization specifications of products including chalk (IS - 3948), Paper (IS - 483) or other (IS - 3949); explained aspects of the product like scope, grade & classes, requirements, sampling and BIS certification marking.

GUEST LECTURE

The speaker explained the standard development process, which involves extensive consultations with industry stakeholders, government agencies, and consumer groups to ensure that the standards are relevant and comprehensive.

The MSTR has collaborated with the BIS INDA to promote product standards and knowledge in various sectors. The funding generated through BIS to initiate various events like quizzes, guest lectures, product demonstrations. The club includes 3+ faculty members and 100+ students.

Technical quiz competition

Hosted an educational and engaging quiz competition centered around BIS (Bureau of Indian Standards) standards. Designed to challenge participants' knowledge of BIS standards across various sectors, including electronics, food, textiles, and construction.

MENTOR TRAINING PROGRAM

A mentor training program for Business Information Systems (BIS) is designed to equip experienced professionals with the skills and knowledge necessary to guide and support less experienced colleagues in students in the field.

Standard Club

The VISTAS Standards Club is an initiative designed to foster a deep understanding of the significance of standards in enhancing quality of life among young people. In collaboration with the Bureau of Indian Standards (BIS), which serves as India's national standards body, the club engages students in various activities that highlight the importance of product standards and knowledge across multiple sectors.

Film Making Club

The Filmmaking Club is a creative space for students passionate about storytelling, cinematography, and all aspects of film production. Members collaborate to write, direct, shoot, and edit short films, learning technical skills like camera work, lighting, and sound design.

The club fosters a supportive environment where beginners can experiment, and seasoned filmmakers can refine their craft. It also hosts workshops, film screenings, and discussions on cinematic techniques and industry trends.

Through hands-on projects, members gain real-world experience and build a portfolio of work, while forging connections with fellow film enthusiasts. It's a hub for innovation and creative expression in filmmaking.

Theatre Club

VISTAS Theatre Club, is a vibrant theatre program that provides students with opportunities to engage in various aspects of theatre arts, including acting, singing, dancing, and technical production.

Program Structure

The program features three mainstage productions each year: Fall Play or Musical: A traditional theatrical performance. Full Circle: A unique winter production created by students, focusing on a new theme annually. Spring Musical: Another major production that showcases student talent.

Student Involvement and Development

Students are encouraged to explore their creative potential through various roles: Acting and Performance: Opportunities to take center stage. Technical Production: Involvement in behind-the-scenes work such as set design and lighting. Creative Leadership: Roles in scriptwriting, directing, and choreographing during the Full Circle production.

THORN PLANT REMOVAL

The thorn plant removal initiative involves clearing thorny shrubs and invasive plants that hinder local biodiversity and pose a risk to the community. By removing these plants, the environment becomes more accessible and safer for everyone. This activity promotes environmental responsibility and encourages teamwork as students actively participate in improving their surroundings.

FREE YOGA CLASSES

Our free yoga classes aim to promote physical and mental well-being. Yoga, a practice rooted in mindfulness, helps participants develop flexibility, strength, and inner peace. These classes are led by skilled instructors and are open to everyone, regardless of experience level. Through yoga, we foster a culture of holistic health, enabling students and faculty to manage stress and enhance their focus.

ORPHANAGE VISIT

The orphanage visit is a heartfelt initiative where we engage with children through interactive activities and fun games. Our aim is to offer emotional care and companionship to the children, bringing smiles to their faces. The visit not only nurtures a sense of responsibility in our students but also cultivates compassion and empathy as key human values.

Universal Human Values

It is important to inculcate human values in younger minds along with technical knowledge. It is essential to educate the students to be in harmony in four levels as self, family, society and nature. With this motive.

Universal Human Values (UHV) club was inaugurated on 25.8.2023. UHV club motivates the student volunteers to take care of their body, mind and soul by organizing free yoga classes on every Tuesday. Definitely a self harmonious person may spread harmony to the family, society and nature.

To practice human values, UHV club organizes many activities for self and societal development.

Environment Club

An Environment Club is a group dedicated to promoting environmental awareness and sustainability. Members engage in activities that foster a connection to nature and encourage eco-friendly practices.

Typical activities include organizing tree-planting drives, clean-up campaigns, and recycling initiatives. The club often hosts workshops on topics like waste management, climate change, and biodiversity conservation.

Members may also participate in awareness programs such as Earth Day celebrations or eco-friendly competitions. Through these activities, the club aims to inspire individuals and communities to adopt greener lifestyles and contribute to the preservation of the planet.
