Internal Quality Assurance Cell

Internal Quality Assurance Cell, an internal quality assurance mechanism practiced in the institution, is conceived as a mechanism to build and ensure a quality culture at the institutional level. Every Higher Education Institute (HEI) should have an internal quality assurance system, with appropriate structure and processes, and with enough flexibility to meet the diverse needs of the stakeholders. The IQAC is meant for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the HEIs.

The IQAC functions as a core quality enhancing system, facilitating a sense of belonging through a participatory approach towards enhancing, sustaining and internalizing quality culture within the institution. The IQAC is constituted with a team of 16 members, headed by the Vice Chancellor.

The activities of the IQAC unit focus on Quality enhancement, the internalization of quality culture, and the setting up of mechanisms and procedures to ensure the prompt and efficient performance of academic, administrative and financial tasks. Training programs are organized periodically for the faculty, the administrative and supportive staff and the students. The IQAC also endeavors to optimize the integration of modern methods of teaching, learning and evaluation and ensures the adequacy, maintenance and functioning of the support structure. The IQAC organizes workshops / seminars on quality related themes and also prepares the Annual Quality Assurance Report (AQAR) of the institute.

Best Practices adopted, if any

Best Practice I

Fostering overall development and up skilling of students

School of Management Studies makes concerted efforts in shaping the students by contributing towards their overall development. Several activities are planned and executed to make the students industry ready.

- Expert Talks by industry practitioners are arranged regularly wherein students get to interact with the experts from various domains such as Marketing, Human resources, Business Analytics, Logistics and Supply Chain Management. These interactions help students to get deep insights on the latest trends in these domains.

- Alumni Speaks event is organised every fortnight wherein Alumni of our institute share their experiences and also highlight the expectations of industry from fresher's. These sessions help the students to assess where they stand and engage in meaningful endeavours to equip themselves

- Management Skill Development Activities are conducted by Faculty members as part of every course. Students are engaged in Seminars, Group Discussions, Role Plays and Management Games. These activities bring out the hidden potential of the

students and also develop their Communication and Soft Skills. Students find these activities as facilitating for their placement.

Best Practice II

Nurturing Entrepreneurial Aspirants through ED Cell

There are several students who aspire to become Entrepreneurs. School of Management Studies has created a wonderful eco system for Nurturing Entrepreneurs. Apart from the In house Entrepreneurship Development Cell the School also has inked MOUs with NSIC and MGNCRE, Govt of India. Entrepreneurship Awareness Camps and Business Plan presentations are held frequently. Aspiring Entrepreneurs present their ideas and experts give their suggestions for improvement. This initiative has resulted in many of our students to either realise their dream to become entrepreneurs or to develop the family business already existing to greater heights.

Best Practice III

Digital mode of teaching and learning - LMS

Among the many challenges the Pandemic has thrown on human kind the most significant is towards the processes of teaching and learning. Both the faculty and students of School of Management Studies have taken up this challenge very responsibly. The Management have provided the entire infrastructure to aid smooth knowledge transition through an excellent Learning Management System (LMS) of VISTAS. All the faculty and students have registered in the LMS platform. The subject material, assignments, assessments are all carried out through the LMS. The faculty were swift in creating many audio visual content to enable easy learning for the students. VISTAS is one among the few institutions who has conducted the semester end examinations in online mode with effective AI enabled proctoring methodology. The processes adopted for online examination through the exam portal is in par with international institutions.

Other Best Practices

- Conduct of Academic Audit
- International Visit by students
- Value Added course imparting skills needed by industry at present with the certification of MSME and NSIC
- Rigorous research work by Fulltime / Part Time Research Scholars and Faculty
- Motivating students to participate in socially responsible activities
- Pre placement training to students
- Strong curriculum to match latest developments in the industry
- Experienced Academic Advisory Board to provide inputs for enrichment of syllabus

- Wide network of Alumni in India & Abroad who support in internships and projects
