

DREAM TEAM DIAGNOSTIC TEST FOR PRE-FINAL YEAR ENGINEERING STUDENTS

As part of the placement readiness initiative, a **Dream Team Diagnostic Test** was conducted on **17th March 2025** for **pre-final year Engineering students**. A total of **103 students** participated in the assessment, which aimed to evaluate their current skill levels and identify areas for improvement.

The test results were analyzed based on the students' **overall percentage performance**, providing valuable insights into their academic strengths and training needs. This initiative plays a crucial role in helping students prepare effectively for future placement opportunities through focused training and guidance.
