

## PLACEMENT ORIENTATION PROGRAM

A placement orientation program was held from 6th to 8th January 2025 for all Engineering students, led by Dr. N. Vanathi, as part of the university's ongoing career preparedness initiatives. The program offered key insights into the **current job market**, **recruitment patterns**, and the overall **campus placement process**.

Dr. Vanathi provided actionable advice on effective placement preparation, the significance of continuous skill development, and strategies to boost employability. The session was both **insightful and inspiring**, offering students a clear roadmap to approach their placement journey with confidence and clarity.
