

SOFT SKILLS TRAINING FOR BBA STUDENTS BY EDUBRIDGE

As part of the university's commitment to holistic student development, a **soft skills training program** is being conducted by **EduBridge** for **all BBA students**, commencing on **1st April 2025** and currently ongoing.

The training focuses on enhancing essential professional skills such as **effective communication, interpersonal abilities, teamwork, time management, and workplace etiquette**. These sessions aim to equip students with the confidence and competence required to thrive in corporate environments. This initiative underscores the university's dedication to ensuring students are not only academically proficient but also **career-ready and industry-aligned**.
