

STUDENT ENRICHMENT PROGRAM FOR VELS VIDYASHRAM STUDENTS

As part of VELS University's commitment to early career guidance and holistic development, a **Student Enrichment Program** was organized for the **students of Classes 10 and 12** from **VELS Vidyashram** between **17th and 21st March 2025**. The program was conducted by the **Career Advancement Training team**, comprising eminent trainers who addressed various key areas essential for academic and personal growth.

The sessions were delivered by:

- **Dr. Annie Sam** on *Careers to Aspire*
- **Ms. Anitha James** on *Cognitive Skills*
- **Mr. Bevin Roscoe Jarrett** on *Sounds and Accent*
- **Mr. Don G. Vijayan** on *Self-Confidence*
- **Dr. N. Vanathi** on *Importance of Problem-Solving*

Each session was thoughtfully designed to **equip students with practical insights and essential skills** to help them navigate their academic journey and career aspirations with confidence. The interactive nature of the sessions encouraged student participation and reflection, offering them clarity on **how to set goals and plan for future success**. This initiative highlights the university's vision of nurturing young minds and guiding them toward making informed career decisions at an early stage.
