ABOUT THE CONFERENCE

The National Conference on Innovations in Emerging Trends in Computer Applications (NCIETCA–2026) is a premier platform for showcasing the latest advancements, innovations, and research in the fields of Computer Applications and Information Technology. The conference is organized by the Department of Computer Applications (UG), School of Computing Sciences, VISTAS. The conference aims to bring together academicians, scientists, researchers, and industry experts to exchange knowledge, share experiences, and deliberate on emerging trends, innovative approaches, and cutting-edge technologies that are shaping the future of Computer Applications.

THRUST AREAS

- Artificial Intelligence, Machine Learning & Deep Learning
- Data Science, Big Data Analytics & Data Mining
- Internet of Things (IoT) & Smart Computing
- Cloud Computing & Edge Computing
- Cybersecurity, Cryptography & Blockchain
- Image Processing, Pattern Recognition
- Natural Language Processing & Speech Technologies
- Current Trends & Technologies

ABOUT VISTAS

The Vels Institute of Science, Technology & Advanced Studies (VISTAS), established by the visionary educationist Dr. Ishari K Ganesh in memory of his father Shri. Isari Velan, a former minister in the government of Dr. M.G. Ramachandran (MGR), has emerged as a beacon of higher education in India. Since its inception in 1992, the Vels group of institutions has grown significantly, achieving Deemed University status in 2008 from the Ministry of Human Resource Development (HRD), Government of India, under Section 3 of the UGC Act 1956. Over the past three decades, VISTAS has expanded its educational offerings, now running 52 educational institutions that cover a wide array of disciplines. This esteemed university provides a comprehensive range of undergraduate, postgraduate, and doctoral programs across various fields, including Medicine, Engineering, Management, Pharmaceutical Sciences, Maritime Studies, Science and Humanities. VISTAS's commitment to excellence in education is further underscored by its accreditation with an "A++" grade by the National Assessment and Accreditation Council(NAAC) under its new regulation, marking it as a premier institution that fosters academic excellence, research, innovation and the holistic development of its students.

ABOUT THE DEPARTMENT

The Department of Computer Applications (UG), School of Computing Sciences at Vels Institute of Science, Technology & Advanced Studies (VISTAS) offers innovative undergraduate programs designed to equip students with strong foundations in Computer Science, Information Technology and Application Development. The department emphasizes experiential learning, industry collaboration, and research-driven education, preparing students to meet the evolving demands of the IT sector.

OBJECTIVES

- To provide a platform for presenting and sharing innovations in Computer Applications.
