Doctor's Day Celebrations

At ESI Hospital & Egmore City Police Hospital

FRIDAY | 01 | JULY

National Doctor's day is celebrated on July 1 every year to pay tribute to the white coat heroes. A day to recognise the meticulous and selfless dedication of Doctors in saving lives.

Going back to the history National Doctor's day is celebrated in memory of **Dr. Bidhan Chandra Roy**, a physician, philanthropist and the second Chief Minister of West Bengal for his remarkable contribution to the field of medicine. Hence **The Indian Medical Association (IMA)** observes this day as the National Doctor's day.

The COVID Pandemic has emphasized the global need for better health care systems. Doctors play a crucial role in the health care sector risking their lives, A doctor's work can be extremely rewarding , but it can also be extremely challenging.

As little step to honour their significance Pharm. D Interns shared the Joy with greetings and sweets to the Doctors at ESI Hospital, Ayanavaram and Egmore City Police hospital. Doctors also clicked pictures with slogans prepared by the students.
