

WORLD KIDNEY DAY 2022

World Kidney Day (WKD), a joint initiative of the International Society of Nephrology (ISN) and the International Federation of Kidney Foundations (IFKF), is a global campaign that aims to raise awareness of the importance of our kidneys to overall health and to reduce the frequency and impact of kidney disease and its associated health problems.

Each year, hundreds of organizations and individuals launch initiatives and events on WKD to help raise awareness of kidney disease. An Event was organized by the Club on March 09th, 2022 for the cause. Exhibition was staged on kidney day which exhibited everything about the excretory system and disease conditions. The complete information about the drugs that act on the kidneys were showcased
