## DEPARTMENT OF PHARMACY PRACTICE

# MEDICAL CAMP DAY

17TH MARCH - 2023

An initiative was taken by the Department of pharmacy practice in association with Vinita Hospitals, Nungambakkam in conducting a medical awareness camp for all the teaching and non-teaching staff of VISTAS, comprising of collecting basic demographic details along with their BMI, vitals monitoring, general health check-up with qualified practitioners, and general eye check-ups. Followed by that, three types of pharmacist-led counseling sessions were conducted by the Pharm. D V and VI students on common diseases such as Diabetes mellites, Hypertension, and basic lifestyle modifications. A total of 184 teaching and non-teaching staff members benefited through this awareness medical camp. All the staff benefited through the conducted camp, complimented regarding the organizing way, and showed gratitude towards it.
