World Kidney Day Report

The Department of Pharmacy Practice, School of Pharmaceutical Sciences, VISTAS and NSS Unit IV in association with Vinita Hospital, Nungambakkam organized an Awareness talk by Dr. Manoj Kumar, Senior Consultant Nephrologist (Vinita Hospital) followed by a Free Medical Screening and Eye camp for the teaching and Non-teaching faculties of VISTAS in account of World Kidney Day.

Awareness Talk Summary

The Talk focused on the importance of Clinical Pharmacist in framing the appropriate treatment regimen for the Uremic patients by considering the ADME (Absorption, Distribution, Metabolism and Excretion) pattern of the drugs, ultimately providing the most appropriate treatment with least undesired effects.

Comparing by SANDHYA. A. M- Pharm. D VI year SAMUEL. C. K-Pharm. D V year

Medical camp Talk Summary

An initiative was taken by the Department of pharmacy practice in association with Vinita Hospitals, Nungambakkam in conducting a medical awareness camp for all the teaching and non-teaching staff of VISTAS, comprising of collecting basic demographic details along with their BMI, vitals monitoring, general health check-up with qualified practitioners, and general eye check-ups. Followed by that, three types of pharmacist-led counseling sessions were conducted by the Pharm. D V and VI students on common diseases such as Diabetes mellites, Hypertension, and basic lifestyle modifications. A total of 184 teaching and non-teaching staff members benefited through this awareness medical camp. All the staff benefited through the conducted camp, complimented regarding the organizing way, and showed gratitude towards it.
