WARRANTY CERTIFICATE

We hereby certify that package sewage treatment plant model ECOBIOPACK of treatment capacity 200 KLD as per your purchase order no. VELS/SMS/NAIK ENVIRO/01/2011 Dated 10 JANUARY 2011 has been successfully designed, installed and commissioned by us at Vels University. Analysis of treated water was conducted and the treated sewage parameters were found to be well within limits as mentioned.

Any equipment/ system subjected to normal use, if found defective during warranty period will be repaired/ replaced by us. The warrantee does not cover failure or damage due to negligence, accident, abuse, improper operation or abnormal conditions of temperature, moisture, dirt or corrosive matter. Equipment which have been in any way tampered with or repaired, altered by any one other than our authorized representative, shall also not be covered under warranty. Our liability on warranty shall not in any event exceed cost of correcting defects or replacement with good equipment. Warranty is applicable only if written notice of any such defects is promptly given to Naik Environmental Engineers Pvt. Ltd. and provided it is established that the equipment was being operated, maintained as stipulated in the operation and maintenance manual.

The warranty of plant will be valid till 1st July 2012.
